🧠 SKILLS

C# | .NET 8.0 | ASP.NET Core | Angular | TypeScript | Python | JavaScript | HTML5 | CSS3 |
AWS | Azure | TBD | RESTful API's | XAML | WPF

💼 WORK EXPERIENCE

Software Engineer II   September 2023 — present | London, UK
LexisNexis UK Legal and Professional

- Develop and maintain features for the Lexis+ web application and its integrated web tools, enhancing legal research and productivity for users.
- Utilise C#, .NET, ASP.NET Core, and Angular to build scalable, high-performance web solutions.
- Collaborate with cross-functional teams including product managers, UI/UX designers, and data science engineers in an Agile environment to deliver business-critical features.
- Advocate for and implement software engineering best practices, with a focus on unit testing, code reviews, and continuous integration to ensure high code quality and reliability.
- Contribute to ongoing architectural improvements and modernisation initiatives across the platform.

📁 PROJECTS

StardewAPI ⧉
RESTful API & Interactive Frontend for Stardew Valley Game Data

- Developed a full-stack web application offering a RESTful API for Stardew Valley game data using ASP.NET ⧉ Core.
- Provided endpoints for crops, buildings, and tools, with data from structured JSON files.
- Created a responsive frontend for interactive documentation and live demos.
- Set up automated testing and CI/CD with GitHub Actions for quality and reliability.
- Actively maintained and regularly updated with new features.

Tech stack: Figma, C#, ASP.NET Core, HTML, CSS, JavaScript, GitHub Actions, Azure.

Pomodoro Timer ⧉
Minimalist Pomodoro Timer Desktop App for Focused Study Sessions

- Features a custom WPF interface with preset timers, motivational quotes, pause/resume/stop controls, and other features for a comfortable experience.
- Packaged with a custom installer for easy Windows installation.

Tech stack: Figma, C#, .NET 8, WPF, XAML, Inno Setup, Git.

🎓 EDUCATION

BEng Mechatronics and Robotics Engineering   September 2018 — October 2022
University of Sheffield   Sheffield, UK
